

Dear Ladies and Gentlemen,

Let us to introduce you ARGO GROUP, who offers forwarding services since 1993. Presently it is a strong European Group that offers to its customers an integrated forwarding system not only within the Czech Republic but also in other EU countries, Asia, Baltic States and CIS countries. Our most well-known projects are the following:

- KALUGA - project of integrated container trains from the Czech Republic and from Slovakia with disassembled cars of VW and ŠKODA AUTO brands to an assembly plant in Kaluga (Russia)
- EAST LINE – every week, goods in the direction to Eastern Europe are transported from the home terminal in Lovosice (the Czech Republic) via the transit point Malaszewice (PL) – Brest (BY).

Company ARGO BOHEMIA, s.r.o. offers domestic and international road transportation, logistics and warehousing services, railway transportation of wagon and container shipments between Europe, Baltic States and CIS countries, sea transportation of export and import FCL or LCL shipments in standardized ISO containers, air transportations and multimodal shipments.

Recently the wide range of our services was expanded to *the road transportation of FTL and LTL shipments from Europe to CIS countries and Baltic States*. Mainly due to the usage of local transportation partners as well as to the knowledge of languages and mentality of the local markets, ARGO BOHEMIA, s.r.o. is able to arrange the complete service in logistics and transportations to our customers in above-mentioned directions.

Please do not hesitate to contact us should it be of interest to you:
